

hello!

Hello and welcome to Chatterbox Espresso Bar. Chatterbox was founded in late 2013 and established as a point of destination for local residents and visiting family and friends to come to, to enjoy great tasting coffee and delicious food. The team at Chatterbox love coffee and feel as strong about great coffee as you do - that is why we always strive at making the best cup of coffee for you. We work closely with our roaster to create a coffee blend which uses only the finest micro lot beans available. Along with fantabulous coffee we also prepare and serve delicious and fresh food daily (with most of the produce, as much as possible, sourced locally)! Rest assured that your meal is made to order, from fresh produce, with love and care by our humble resident chefs. The Chatterbox team is here from 6:30 am until 4:00pm Monday to Friday and 8:00am until 1:30 pm Saturday and Sunday. And as always, we look forward to welcoming you again soon
